1. Any regular electric Power Wheel-type vehicle is allowed. Does not have to be Power Wheels brand. No ATV, quad, motorcycle etc. type vehicles allowed. Child's legs must be in a compartment. Ride in not ride on!
2. Kids 3-7 years of age may participate.
3. Helmets must be worn. (bicycle helmets, etc.)
4. The vehicle must use the original battery, or a direct replacement of the original battery. No lawn mower batteries will be allowed.
5. All doors and tailgates must be strapped shut. No sharp edges. Use zip ties or duct tape or other flexible product for making them stay shut.
6. Tires may be covered in duct tape to prevent them from breaking. NOTHING ELSE MAY BE ADDED.
7. Balloons will be tied to the front and rear of the vehicle. The last vehicle with an inflated balloon will be the winner.
8. Decorative changes can be made to the Power Wheel to make it look like a derby car, however, there can be no reinforcement to the Power Wheel. Changes and additions are only decorative--example: header pipes sticking up, painting the car, etc. Keep in mind, balloons will be tied to the bumper.
9. At all times remember that this is for kids! Don't add something that could cause them not to be in the derby. You could have a disappointed child if not allowed to run.

This event is free for your child to participate in with grandstand admission ticket to Demo Derby.
