

## **Buchanan County Fair Association**

### **Campground Rules**

- **2 – Vehicles per campsite.**
- **Quiet hours between 10:30pm – 7:00am.**
- **All pets on a leash or in a small pen.**
- **No Littering.**
- **Be respectful to others. Harassment towards other tenants will NOT be tolerated.**
- **Camping in designated areas only.**
- **All campers/rvs must be backed into the camp spot correctly. NO pulling into the spots.**
- **Please keep all campsites clean and orderly.**
- **All fire rings must be used in the designated areas closest to the road. Campfires are limited to the fire rings that are provided by the fairgrounds only.**
- **There is no individual campsite garbage pick-up. You are responsible for taking your own garbage to the provided dumpster, located at the far west end of the campground, along the racetrack wall.**
- **Yard rugs are permitted, but please be mindful of our property. Put rugs away when not occupying your camper. When rugs are left out for long periods of time and not picked up/moved on occasion, it is killing the grass.**
- **Weeds will be sprayed within the last weekend of each month, if needed and weather permitting, so please plan accordingly.**
- **Absolutely NO FIREWORKS! They are NOT permitted in the campground or to be let off in surrounding areas of the campground. Sparklers are ok for children. We need to be mindful of our elderly patrons and of your pets.**

**Thank you!**

**Buchanan County Fair Campground Committee**
